

**PC0319 Base in granito
200x150x40 mm gr. 0**

Base in granito per stativo porta-comparatore 200x150x40 mm, lappata al grado 0 sulla faccia superiore, con foro per vite M10 per colonna liscia o filettata e piedini d'appoggio in gomma. Disponibili con due forature: A= centrale B= angolo

**PC0320 Base in granito
300x200x50 mm gr. 0**

Base in granito per stativo porta-comparatore 300x200x50 mm, lappata al grado 0 sulla faccia superiore, con foro per vite M10 per colonna liscia o filettata e piedini d'appoggio in gomma.

**PC0319 Granite base for dial
gauge stand 200x150x40 mm grade 0**

Granite base for gauge stand 200x150x40: upper face lapped grade 0 with hole for M10 screw for threaded or smooth column and rubber feet. Available with two different drilling: A= central hole B= corner hole

**PC0320 Granite base for dial
gauge stand 300x200x50 mm grade 0**

Granite base for gauge stand 300x200x50 mm lapped grade 0 on the upper face with hole for M10 screw; available for threaded or smooth column and rubber feet.

**PC0319 Base en granit noir
200x150x40 mm classe 0**

Cette base en granit pour colonne porte-comparateur 200x150x40 est rodée en classe 0 sur la face supérieure et a un trou lamé pour vis M10 pour colonne et des pieds d'appui en caoutchouc. Disponible avec deux trous: A = trou central B = dans le coin.

**PC0320 Base en granit noir
300x200x50 mm classe 0**

Cette base en granit pour colonne porte-comparateur est rodée en classe 0 sur la face supérieure et a un trou lamé pour vis M10 pour colonne et des pieds d'appui en caoutchouc.

**PC0319 Granitbasis
200x150x40 mm Grad 0**

Granitbasis für Messuhrstativ 200x150x40 mm, Oberseite nach Güte 0 geläpft, mit einer Bohrung für Standsäule und Auflagefüßen aus Gummi. Erhältlich mit zwei Löchern: A = zentral Loch B = Winkel Loch.

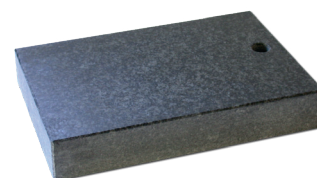

**PC0320 Granitbasis
300x200x50 mm Grad 0**

Granitbasis für Messuhrstativ 300x200x50 mm, Oberseite nach Güte 0 geläpft, mit einer Bohrung für Standsäule und Auflagefüßen aus Gummi.
